14 DMTF is a not-for-profit association of industry members dedicated to promoting enterprise and systems  
15 management and interoperability. Members and non-members may reproduce DMTF specifications and  
16 documents, provided that correct attribution is given. As DMTF specifications may be revised from time to  
17 time, the particular version and release date should always be noted.

18 Implementation of certain elements of this standard or proposed standard may be subject to third party  
19 patent rights, including provisional patent rights (herein "patent rights"). DMTF makes no representations  
20 to users of the standard as to the existence of such rights, and is not responsible to recognize, disclose,  
21 or identify any or all such third party patent right, owners or claimants, nor for any incomplete or  
22 inaccurate identification or disclosure of such rights, owners or claimants. DMTF shall have no liability to  
23 any party, in any manner or circumstance, under any legal theory whatsoever, for failure to recognize,  
24 disclose, or identify any such third party patent rights, or for such party's reliance on the standard or  
25 incorporation thereof in its product, protocols or testing procedures. DMTF shall have no liability to any  
26 party implementing such standard, whether such implementation is foreseeable or not, nor to any patent  
27 owner or claimant, and shall have no liability or responsibility for costs or losses incurred if a standard is  
28 withdrawn or modified after publication, and shall be indemnified and held harmless by any party  
29 implementing the standard from any and all claims of infringement by a patent owner for such  
30 implementations.

31 For information about patents held by third parties which have notified the DMTF that, in their opinion,  
32 such patent may relate to or impact implementations of DMTF standards, visit

## Introduction

125 This document defines the process governing DMTF bodies (Committees, Working Groups, Forums, and  
126 Chapters) and documents. It is targeted to all DMTF members as a framework to facilitate the DMTF's  
127 work.

128 This document does not define the process for all DMTF bodies and activities. Please refer to the DMTF  
129 Policies page at <http://dmf.org/about/policies> for a complete list.

130 The defined processes outlined in this document include:

- 131 • Body and sub-Body formation, structure, chartering, quiescing and dissolution
- 132 • Body membership and participation
- 133 • Meeting requirements and guidelines
- 134 • Chair, co-chair and vice-chair models and selection
- 135 • Voting and Ballots
- 136 • Supporting organizational processes
- 137 • Common rules and procedures
- 138 • DMTF document release process, comment resolutions and change requests
- 139 • DMTF management initiatives
- 140 • Information access
- 141 • Approval processes

142 *DMTF Process for Working Bodies* (DSP4014) was prepared by the Executive Committee.

143 DMTF is a not-for-profit association of industry members dedicated to promoting enterprise and systems  
144 management and interoperability. For information about the DMTF, see <http://www.dmf.org>.

145

# DMTF Process for Working Bodies

## 146 1 Scope

147 This document defines DMTF processes governing the formation, structure, and activities of DMTF  
148 Bodies and the DMTF Release Process for DMTF documents, including:

- 149 • Documents that are intended to become DMTF Standard Documents
- 150 • Documents that are intended to become DMTF Informational Documents
- 151 • Schemas
- 152 • Source codes

## 153 2 Normative references

154 The following documents, in whole or in part, are normatively referenced in this document and are  
155 indispensable for its application. For dated references, only the edition cited applies. For undated  
156 references, the latest edition of the referenced document (including any amendments) applies.

157 Policies that may be found on <http://dmf.org/about/policies>:

- 158 • DMTF Bylaws
- 159 • DMTF Patent and Technology Policy
- 160 • DMTF DSP4003 – DMTF Alliance Partnership Process
- 161 • DMTF DSP4010 – DMTF Financial Process and Procedures

162 Charter Template

163 Document Request Template (DR)

164 ISO/IEC Directives Part 2 – Rules for the structure and drafting of International Standards  
165 <https://isotc.iso.org/livelink/livelink.exe?func=ll&objId=4230456&objAction=browse&sort=subtype>

166 ISO 639-1:2002 – Codes for the representation of names of languages – Part 1 Alpha-2 code

## 167 3 Terms and definitions

168 In this document, some terms have a specific meaning beyond the normal English meaning. Those terms  
169 are defined in this clause.

170 The terms "shall" ("required"), "shall not," "should" ("recommended"), "should not" ("not recommended"),  
171 "may," "need not" ("not required"), "can" and "cannot" in this document are to be interpreted as described  
172 in [ISO/IEC Directives, Part 2](#), Clause 7. The terms in parentheses are alternatives for the preceding term,  
173 for use in exceptional cases when the preceding term cannot be used for linguistic reasons. Note that  
174 [ISO/IEC Directives, Part 2](#), Clause 7, specifies additional alternatives. Occurrences of such additional  
175 alternatives shall be interpreted in their normal English meaning.

- 176 **3.1**  
177 **Alternate Voter**  
178 Any person eligible to vote in a particular Body who is not identified in the roster of that Body as the  
179 Primary Voter.
- 180 **3.2**  
181 **Ballot**  
182 A vote by any means.
- 183 **3.3**  
184 **Board of Directors**  
185 **Board**  
186 A group of persons, as defined in the [DMTF Bylaws](#), chosen to govern the affairs of the corporation.
- 187 **3.4**  
188 **Body**  
189 A substitution for Committee, Forum, Chapter, or Working Group.
- 190 **3.5**  
191 **DMTF Document**  
192 Any published material released by the DMTF.
- 193 **3.6**  
194 **DSP Identifier**  
195 An identifier assigned to most DMTF documents.
- 196 **3.7**  
197 **DMTF Standard**  
198 A DMTF document of a normative nature that addresses a specific problem domain and has been  
199 released by the DMTF.
- 200 **3.8**  
201 [Document Request](#)  
202 **DR**  
203 The template that is used to obtain, take ownership or return DSP identifiers.
- 204 **3.9**  
205 **Editing Body**  
206 The Committee or Working Group assigned editorial responsibility for any given document.
- 207 **3.10**  
208 **Electronic Ballot**  
209 A Ballot conducted electronically following the procedures defined herein.
- 210 **3.11**  
211 **IP Solicitation**  
212 A notification to membership, consistent with the DMTF Patent Policy that solicits response of essential  
213 patent claims that relate to the subject document.
- 214 **3.12**  
215 **Parent Body**  
216 DMTF Body immediately above the current body in the hierarchy of DMTF Bodies.

217 **3.13**

218 **Primary Voter**

219 The person eligible to vote in a Body that has been identified in the roster of that Body as the primary  
220 voter. There may only be one Primary Voter representing any Member. A Member may elect to identify  
221 different persons as the Primary Voter in each Body in which it may vote.

222 **3.14**

223 **Process Document**

224 Any document produced by the DMTF that defines the policies and procedures that apply to the DMTF.

## 225 **4 Symbols and abbreviated terms**

226 The following abbreviations are used in this document.

227 **4.1**

228 **DMTF**

229 Distributed Management Task Force

230 **5 DMTF Committees, Working Groups, Forums, and Chapters**

231 **5.1 Structure and introduction**

232 Bodies in the DMTF are arranged in a hierarchical structure rooted at the Board. Bodies reporting to the  
 233 Board are called Committees and operate as Other Committees in accordance with the [DMTF Bylaws](#).  
 234 Working Groups and Chapters report to Committees. Forums may report to any Body. The Body to which  
 235 a Body reports is referred to as its Parent Body.

236 Every Body has a Board-approved charter that defines its scope.

237 Procedures common to all Bodies are described in clause 5.8 and apply unless more specific guidance is  
 238 provided in this clause.

239 **5.2 Membership levels, roles, voting, and participation**

240 As determined by Board resolution and documented herein, membership is divided into various levels  
 241 that determine permissible roles, participation and voting rights within Bodies, as listed in Table 1.  
 242 Additional requirements may be documented in a specific Body’s Rules of Procedure.

243 **Table 1 – Membership levels**

Role or right	Leadership	Participation	Designated Alliance-Partner Representative	Academic Alliance-Partner Representative
Chair Committees	Yes	No	No	No
Vote in Committees	Yes	No	No	No
Participate in Committees	Yes	No	No	No
Chair Work Groups	Yes	No	No	No
Vote in Work Groups	Yes	Yes	No	No
Participate in Work Groups	Yes	Yes	May <sup>1</sup>	May <sup>1</sup>
Serve as a Forum Officer	Yes	No	No	No
Vote in Forums	Yes	Yes	No	No
Participate in Forums	Yes	Yes	May <sup>1</sup>	May <sup>1</sup>
Vote in Chapters	Yes	Yes	No	No

---

<sup>1</sup> Fellow, Alliance Partner and Academic Alliance Partner level members may apply to participate in specific Working Groups or Forums in their application. The Board establishes specific participation at the time of approval.

Role or right	Leadership	Participation	Designated Alliance-Partner Representative	Academic Alliance-Partner Representative
Participate in Chapters	Yes	Yes	No	No
Observe	Yes	Yes	May <sup>2</sup>	May <sup>2</sup>

244 Member representatives are eligible for the role or right in any particular Body provided that the Member  
 245 is of a suitable membership level, meets the requirements of a Body's Rules of Procedure, if any, and the  
 246 representative has been admitted to the membership roll of that Body.

247 DMTF Fellows may act in any role in any Body as designated by the Board.

248 DMTF expects as much continuity in representation as possible.

249 Members are encouraged to participate in any and all Bodies where they can actively contribute.

## 250 5.3 Committees

251 The Board of Directors is responsible for the creation and termination of Committees. Committees focus  
 252 on specific aspects of the work and mission of the DMTF and are responsible for the development of  
 253 DMTF marketing programs, technologies, and initiatives.

### 254 5.3.1 Committee chair

255 Committee chairs are appointed by the Board of Directors.

#### 256 5.3.1.1 Committee vice-chair

257 All Committees must have a vice-chair. It is the vice-chair's responsibility to serve in the place of the chair  
 258 should the chair be temporarily unable to fulfill the duties and responsibilities required of the chair.

259 Committee vice-chairs are elected by the Committee according to the process in clause 5.8.2, with the  
 260 clarification that both the Parent Body and the Body referenced in that clause are the Committee (thus the  
 261 Board of Directors is not directly involved). The vice-chair must be a voting participant of the committee  
 262 prior to the election.

## 263 5.4 Working Groups

264 Committees form Working Groups, consistent with the committee's charter.

265 To exist, a Working Group must have current unfulfilled goals and a charter. A Working Group can be  
 266 considered active regardless of whether scheduled teleconferences occur or change requests are  
 267 submitted.

### 268 5.4.1 Working Group chair

269 Eligible Member representatives may chair a Working Group.

270 1) The Working Group chair is a member of the parent committee, but may not vote unless  
 271 otherwise eligible. A person may chair or co-chair more than one Working Group.

272 2) Working Groups that do not have co-chairs are encouraged to have vice-chairs. If a Working  
 273 Group has a vice-chair, it is the vice-chair's responsibility to serve in the place of the chair

---

<sup>2</sup> Observer roles may exist only if permitted by the Body's Rules of Procedure

- 274 should the chair be temporarily unable to fulfill the duties and responsibilities required of the  
275 chair. There are no restrictions on the number of Working Groups that a person may vice-chair.
- 276 3) Subsequent elections for a Working Group chair follow the process defined in clause 5.8.2.
- 277 4) In the unlikely event that a Working Group chair is unable to fulfill the responsibilities of the  
278 position and has not resigned, Working Group participants from three separate Leadership  
279 Members may submit a request to the parent Committee that a new election be held. The  
280 request must be submitted in writing, either via email or hard copy. The request is then voted in  
281 the parent Committee. Prior to initiating the request, Working Group members are strongly  
282 encouraged to attempt to resolve their concerns directly with the Working Group chair.

## 283 5.5 Forums

284 A Body may create Forums. Forums focus on issues in specific areas of the Body's charter. Forums are  
285 different from Working Groups in that Forums pursue work that is interesting to a subset of DMTF  
286 members and may collect and disperse monies, within the rules and regulations of the [DMTF Bylaws](#),  
287 from this subset of the DMTF membership to succeed at their stated mission. As such, membership in a  
288 Forum may be restricted to DMTF members who fulfill key requirements like paying special dues or a  
289 Forum membership fee. Forums may exist for any purpose within these guidelines and the [DMTF Bylaws](#).  
290 Forums are intended to be self-funding (that is, they are responsible for collecting monies to pay for  
291 programs or initiatives they seek to deliver), but may request funds from their Parent Body.

292 Forums may still be considered active regardless of whether scheduled teleconferences occur or change  
293 requests are submitted. It is necessary that Forums have current unfulfilled goals and charters to exist.

### 294 5.5.1 Forum officers

295 Forums may establish the cadre of officer positions needed to govern; however, each Forum must at  
296 least have a chair. Officer positions may include but are not limited to chair, vice-chair, treasurer, or  
297 secretary. Leadership Members who pay applicable Forum dues are eligible to be an officer in a Forum.  
298 No other categories of membership have the right to be an officer in a Forum. The Forum chair is a  
299 member of the sponsoring Committee, but may not vote unless otherwise eligible. The chair is  
300 responsible for leading other officers that are elected to the Forum. Officers in a Forum should be elected  
301 every two years. In the event that an officer in a Forum resigns or can no longer fulfill the obligations of  
302 the office, a new officer is selected according to the process defined in clause 5.8.2.

### 303 5.5.2 Collection of membership dues and fees; accounting services

304 Collection of dues and fees, banking services, and other accounting services are provided to the Forum  
305 from DMTF central services. All Forum memberships will align with the DMTF's membership cycle and  
306 fiscal year, and follow DMTF's established practices.

### 307 5.5.3 Technical specifications and standards

308 The Technical Committee shall ultimately govern and manage all standards or specifications that a Forum  
309 may require.

### 310 5.5.4 Marketing and PR activities

311 Marketing and PR needed to carry out the Forum's objectives are supplied to the Forum through the  
312 DMTF Marketing Task Force.

## 313 5.6 Chapters

314 The Executive Committee forms Chapters. Chapters are coordinated through the Regional Chapter Task  
315 Force. Chapters focus on issues of concern to specific geographic regions. Membership in a Chapter may

316 be restricted to DMTF members who fulfill key requirements such as paying special dues or a  
317 membership fee as defined in the chapter's Rules of Procedure. Chapters are intended to be self-funding  
318 (that is, they are responsible for collecting monies to pay for programs or initiatives they seek to deliver),  
319 however they may request funds from their governing Committee.

### 320 **5.6.1 Chapter officers**

321 Chapters may establish the cadre of officer positions needed to govern; however, each Chapter must at  
322 least have a chair. Officer positions may include but are not limited to chair, vice-chair, treasurer, or  
323 secretary. Leadership Members who pay applicable Chapter dues are eligible to be an officer in a  
324 Chapter. A Member may hold only one officer position in any given Chapter. No other categories of  
325 membership have the right to be an officer in a Chapter. The Chapter chair is a member of the sponsoring  
326 Committee, but may not vote unless otherwise eligible. The chair is responsible for leading other officers  
327 that are elected to the Chapter. Officers in a Chapter should be elected every two years. In the event that  
328 an officer in a Chapter resigns or can no longer fulfill the obligations of the office, a new officer is selected  
329 according to the process defined in clause 5.8.2.

### 330 **5.6.2 Collecting membership dues and fees; accounting services**

331 Collection of dues and fees, banking services, and accounting services are provided to the Chapter from  
332 DMTF central services. All Chapter memberships will align with the DMTF's membership cycle and fiscal  
333 year, and follow DMTF's established practices.

### 334 **5.6.3 Technical specifications or standards**

335 The Technical Committee shall ultimately govern, manage, and approve all standards or specifications  
336 that a Chapter may require.

### 337 **5.6.4 Marketing and PR activities**

338 Marketing and PR needed to carry out the Charter's objectives will be developed in coordination with the  
339 DMTF Marketing Task Force.

## 340 **5.7 Task Force**

341 A Task Force may be created by any Body for the purpose of producing any document or proposal to its  
342 Parent Body or to perform any work, as directed by the Parent Body.

343 A Task Force may consist of one or more individuals appointed by the Parent Body; however, they do not  
344 need to be members of the Parent Body.

345 Task Forces are led by a person appointed by the Parent Body, or may be elected from amongst the  
346 Taskforce membership.

347 Task Forces have no minimum quorum rules and generally shall operate on a consensus basis. Votes, if  
348 required during Task Force issue resolution, require only a simple majority to pass.

349 Task Forces have no standing other than to generate proposals for presentation to their Parent Body.

350 Task Forces may be disbanded at the discretion of the Parent Body.

351 Task Force formation is recorded in the minutes of its Parent Body along with the intended scope and  
352 membership rules.

353 Task Force scope must be contained within the scope of its Parent Body.

354 Operation of a Task Force in all other ways operates the same as any other Body with regard to agenda  
355 and minutes and other procedures.

## 356 **5.8 Common rules and procedures**

357 This clause contains information supporting the prior clauses.

### 358 **5.8.1 Body formation**

359 This clause covers the formation of bodies such as Working Groups and Forums, referred to in this clause  
360 as Body.

- 361 5) Proposals for a new Body can be proposed by any three Leadership Members of the DMTF.  
362 They are brought to the chair of the appropriate Parent Body. A proposal to form the new Body  
363 must be submitted and an interim chair or co-chairs identified (hereafter referred to as “interim  
364 chair”). The interim chair must be a Leadership Member representative. The Parent Body chair  
365 then hosts a discussion with the interim Body chair(s) and the appropriate Parent Body. The  
366 goals of the discussion are to determine whether the work aligns with the strategy and focus of  
367 the DMTF; what existing work is available in the industry; whether cooperative relationships with  
368 standards outside the DMTF might be necessary; and so on. No binding vote need be held. The  
369 proposal goes to the Board for approval.
- 370 6) After the proposal for the new Body is approved by the Board, an announcement is sent to all  
371 Leadership Members by the Committee chair soliciting interested participants to attend one or  
372 more formation meetings or teleconferences. The purpose of these meetings is to craft an initial  
373 charter for the Body (see charter content 5.8.7.1), goals, deliverables, timeline, and Rules of  
374 Procedure (see Rules of Procedure 5.8.10), if applicable. An interim group page is created on  
375 the DMTF web site to facilitate discussion and coordinate meetings. At least three Leadership  
376 Members must express interest to continue to the next step.
- 377 7) The chair of the appropriate Parent Body is responsible for providing insight and observations  
378 about the DMTF, any requested help in anticipating Committee and Board questions and  
379 responses, and answers to procedural questions.
- 380 8) At the conclusion of the meetings, the interim chair submits the proposed initial charter and  
381 Rules of Procedure, if applicable, to the chair of the appropriate Parent Body along with  
382 proposed goals and an initial timeline. In addition, the interim chair must identify at least three  
383 Leadership Members that remain committed to the ongoing work. The Parent Body chair then  
384 verifies the submitted information. If no issues exist, the charter and list of committed  
385 Leadership Members are sent to the Parent Body for Ballot following the normal Ballot process.  
386 The charter and Rules of Procedure go to the Board for approval. Issues with the Body’s  
387 proposed charter, Rules of Procedure and list of committed members should be raised in the  
388 initial Ballot and then worked to closure.
- 389 9) After Board approval of the Body’s initial charter and Rules of Procedure, the appropriate  
390 Committee chair sends a second announcement to all DMTF members indicating the formation  
391 of the new Body and the timing of its first meeting. At the formation meeting for the Body, the  
392 charter and list of committed members are reviewed (and possibly amended); the chairing  
393 method for the Body is decided (single chair, chair and vice chair, or co-chairs); the official chair  
394 nomination process is started; and work on the deliverables commences. Meeting times for the  
395 new Body should also be discussed and Balloted if agreement during the meeting is not  
396 reached.
- 397 10) At the Body’s first meeting, any chairs, vice-chairs, co-chairs or other officers are elected  
398 according to the procedure in clause 5.8.2.

## 399 **5.8.2 Quiescing and reactivating a Body, de-chartering**

### 400 **5.8.2.1 Quiescing**

401 Should a Body become inactive for a period of time or plan to become inactive, the Body may be  
402 quiesced as follows:

- 403 • The Body's chair may make a request to its Parent Committee's chair that the Body be  
404 quiesced. A motion is made to quiesce the Body at the parent Committee and a vote is held.  
405 Upon parent Committee approval, the request is forwarded to the Board for approval.
- 406 • After Board approval, an announcement is sent to all the DMTF members indicating that the  
407 Body is quiesced and the web location of its archived information. Questions regarding the work  
408 and deliverables of the Body can continue to be mailed to the DMTF list through the [Contact](#)  
409 page.
- 410 • If the Body has funds under its management, such as potentially Chapters or Forums, those  
411 accounts shall be settled and any excess shall be returned to the DMTF general fund. No  
412 reserve shall be carried forward.

### 413 **5.8.2.2 Reactivating**

414 Bodies that have been quiesced may be reactivated as follows:

- 415 • The Body's former chair, or a former member if no chair is available, and a minimum of three  
416 additional members shall make a request to reactivate to its Parent Committee.
- 417 • The Parent Committee shall vote. Upon an affirmative vote, the request will be passed to the  
418 Board for approval.
- 419 • After Board approval, an announcement is sent to all the DMTF members indicating that the  
420 Body has been reactivated and the web location of its archived information.

### 421 **5.8.2.3 De-chartering**

422 Any Body that has been inactive for a period of three years shall be de-chartered by an affirmative vote of  
423 the Board at any meeting subsequent to the three-year anniversary of inactivity or at the Board's  
424 discretion. It is not necessary that the Body be quiesced at the time of de-chartering.

425 Previously created and archived materials remain as part of the permanent record; however, for the Body  
426 to become reactivated, a new charter must be created that specifies the continuation of the work of the  
427 previously de-chartered Body.

## 428 **5.8.3 Chair and officer elections**

429 The following clause applies to the selection of chairs, co-chairs, vice-chairs and other officers. No  
430 Member may hold more than one chair or officer position in a particular Body.

### 431 **5.8.3.1 Electing Officer**

432 The Electing Officer shall be the Parent Committee's presiding officer for chair, vice-chair, and co-chair  
433 elections. The Electing Officer for other officers shall be the Body's presiding officer.

### 434 **5.8.3.2 Order of Elections**

435 If the Body's chairing model is single chair or chair and vice-chair, then the election for chair shall occur  
436 before any other election. If the Body's chairing model is co-chair, then the co-chair election shall occur  
437 before any other election.

438 **5.8.3.3 Election Procedure**

- 439 • The Electing Officer announces by email to the Body's mailing list that nominations for the  
440 vacant position(s) are being solicited. Nominations can be submitted at a meeting or by email to  
441 the Electing Officer's alias. Nominations shall be open for a minimum of five business days after  
442 announcement to the Body's email list.
- 443 • At the meeting following the close of the nomination period, the Electing Officer announces the  
444 list of candidates nominated for each vacancy. Candidates may describe their background and  
445 interest in the role. If multiple nominees for a vacancy exist, the winning candidate is selected  
446 through an email Ballot to the Electing Officer's alias. Each Member may vote once for each  
447 vacancy on the Ballot, provided that each vote is for different persons.
- 448 • If only one candidate exists for a vacancy, a default selection is made and announced.  
449 Members may voice objections to the default selection by email to the Electing Officer's alias  
450 within five business days of the announcement. Should an objection be received, an attempt  
451 shall be made to resolve it. If resolution is not possible, then an election shall be held after  
452 another five business day call for nominations. Such election shall be held even though only  
453 one candidate stands. A simple majority of the votes is sufficient to elect the candidate.
- 454 • If multiple candidates exist for a vacancy, then the candidate with a simple majority of the votes  
455 is selected. If no candidate has obtained a simple majority, then there shall be a run-off election  
456 between the two candidates with the most votes. The Electing Officer at the conclusion of each  
457 round of voting shall disclose the total number of votes cast for each vacancy as well as the  
458 number of votes achieved by each candidate.
- 459 • In the case of the simultaneous election of two co-chairs, each Member shall have the  
460 opportunity to cast two votes, each of which must be cast for different persons. Any candidate  
461 that receives a number of votes greater than 50% of the number of Members that cast votes is  
462 elected. If one position remains unfilled, then there shall be a run-off election between the  
463 remaining two candidates that had received the most votes. Should there remain unfilled  
464 positions, then each co-chair shall be voted sequentially and the candidate with a plurality of  
465 votes shall be elected.

466 **5.8.4 Chair responsibilities**

467 This clause covers the responsibilities of a chair, vice-chair, or co-chair.

- 468 • The chair is responsible for acting as the presiding officer for all meetings and ensuring that all  
469 DMTF policies and procedures are followed.
- 470 • The chair is responsible for attending meetings of the Body and providing reports to the Parent  
471 Body.
- 472 • The chair is responsible for informing the Parent Body of the progress, schedule, and status of  
473 the specific technologies or programs under development by the Body and its subordinate  
474 bodies on a monthly basis.
- 475 • As goals, schedules, and deliverables change, the chair is responsible for providing that data for  
476 publication on the Body's public web page by sending the request with all necessary information  
477 through the approvals required of an Informative Document (6) and ultimately to [tc-  
478 support@dmf.org](mailto:tc-support@dmf.org) for publication.
- 479 • The chair is responsible for bringing Body issues to the Parent Body for resolution and Body  
480 deliverables to the Parent Body for forwarding to the DMTF Board through the organization for  
481 publication.
- 482 • The chair is responsible for maintaining email lists and rosters for the Body.
- 483 • The chair is responsible for ensuring that accurate minutes of each meeting are taken and  
484 posted on the "Members Only" web site, together with pertinent documents. If a Body chooses

- 485 to rotate responsibility for recording minutes amongst its participants, each such Member is  
486 required to join in the rotation.
- 487 • The chair is responsible for seeing that meeting attendance is tracked by using the tracking tool  
488 in the Body's area of the web site.
  - 489 • The chair is responsible for ensuring that an accurate record of the status of all specifications  
490 owned by the Body is maintained.
  - 491 • The chair is responsible for ensuring the Body and all subordinate Bodies are operating within  
492 their charters and those charters are up to date.
  - 493 • The chair is responsible for publishing the agenda two business days prior to meetings and  
494 ensuring that all collateral material for discussions are published two business days prior to  
495 meetings.
  - 496 • The chair is responsible for declaration of voting results.
  - 497 • The chair is responsible for Alliance Partner Work Register ([DSP4003](#)) responsibilities and  
498 milestones as declared in the Work Registers.
  - 499 • The chair is responsible for ensuring adherence to the DMTF Recording Policy.
  - 500 • The chair is responsible for ensuring that the Body and all subordinate Bodies have a vice-chair  
501 or co-chair that can assume the role of chair upon a vacancy or absence of the chair.
  - 502 • The chair is responsible for coordinating with the DMTF Marketing task force so that press  
503 releases or other distribution of information related to those documents produced by the group  
504 are properly targeted and issued in a timely manner.
  - 505 • The chair shall ensure that an appropriate Body representative capable of knowledgeable  
506 addressing issues or questions attend the meeting of a Parent Body that is considering an  
507 action or Ballot on behalf of the Body.

### 508 **5.8.5 Chair vacancy**

509 From time to time, events may result in the temporary absence of the chair, co-chair and/or vice-chair(s)  
510 of a DMTF Body. In this event, the chair of the Parent Body(s) may act in their stead. Additionally, the  
511 DMTF President may fill in temporarily in the absence of all of the Parent Body chairs, co-chairs and vice-  
512 chairs or in the temporary absence of any Vice Presidents and their designated alternates.

513 From time to time, events may result in the necessity for the chair, co-chair or vice-chair of a DMTF Body  
514 to vacate permanently. The following clause indicates circumstances when chair changes are warranted  
515 and how they should be managed:

- 516 1) When the chair, co-chair or vice-chair leaves or changes their relationship with the Leadership  
517 Member that they represent (other than through a merger or buyout), the position held by that  
518 person must be vacated and a new election held; or in the case of a Committee, a new Board  
519 appointment is made.
- 520 2) When a Body changes chairing model, the rules in clause 5.8.6 require that an election be held.
- 521 3) When a Leadership Member is purchased by, or merged with, another Leadership Member and  
522 the co-chairs or the chair and vice-chair now represent the same Leadership Member, one of  
523 the positions must be vacated and a new election held for that position; or in the case of a  
524 Committee, a new Board appointment is made.
- 525 4) If no vice-chair or co-chair has been elected at the time of the vacancy, the chair of the Parent  
526 Body assumes the responsibility until a new election can be completed; or in the case of a  
527 Committee, a new Board appointment is made.

## 5.8.6 Chairing model changes

Should a DMTF Body deem it necessary to change its chairing model (which can be done any time by motion in the DMTF Body), the following procedures shall be followed:

- When a Body with a single chair changes to a model with a chair and a vice-chair, the current chair maintains the position and an election is held for vice-chair.
- When a Body with a single chair changes to a model with co-chairs, the current chair maintains the position and an election is held for the other co-chair.
- When a Body with a chair and vice-chair changes to a model with a single chair, the current chair maintains the position and the vice-chair position is eliminated.
- When a Body with a chair and vice-chair changes to a model with co-chairs, the current chair maintains the positions, the vice-chair position is eliminated and an election is held for the other chair.
- When a Body with co-chairs changes to a model with a single chair, the process is more complex. If one chair resigns, the other chair maintains the position. Otherwise, the chairs become interim chairs until an election is held for the single chair seat.
- When a Body with co-chairs changes to a model with a chair and vice-chair, the process is more complex. If one chair resigns, the other chair maintains the position. Otherwise, the chairs become interim chairs until an election is held for the single chair seat. The vice-chair position is then filled through the normal election process.

## 5.8.7 Charters

All Bodies must have a Board-approved charter that defines the scope of work to be performed by the Body. Charter format shall be according to that defined in the [Charter Template](#).

### 5.8.7.1 Charter content

Charter scope includes the following:

- Purpose, technology area, problems to be solved, and anticipated work to be performed.
- General nature of anticipated deliverables such as specifications, test code, example source code, schemas or other materials.
- Parent Body.
- Disambiguate the nature of the Body from any other DMTF Body.

Charter scope does not include the following:

- Specifically named deliverables
- Chairs
- Schedule or time-line

### 5.8.7.2 Initial charter creation

- Committee charters are set by the Board.
- The initial charters for other bodies are formed according to the initial charter procedures described in Body formation (clause 5.8.1).

**565 5.8.7.3 Charter modification**

- 566 • Bodies wishing to change their charters may do so by preparing the proposed new charter and  
567 then obtaining Board approval (clause 6).

**568 5.8.8 Meeting notices, agenda, and materials**

569 Meeting notices shall be posted on the DMTF event calendar. Meeting agenda should be included in the  
570 DMTF event calendar and must be sent to the Body's email list at least two business days before the  
571 meeting. Collateral material, or the material that is the subject of discussion, shall be posted at least two  
572 business days prior to the start of the meeting. Bodies may decide on the frequency and nature  
573 (teleconference or face-to-face) of their meetings.

**574 5.8.9 Rules of Order**

575 DMTF Bodies shall operate according to the rules contained in the current edition of Robert's Rules of  
576 Order Newly Revised (RONR) unless those rules are inconsistent with the [DMTF Bylaws](#) or any rules or  
577 processes that are defined in this document.

**578 5.8.10 Rules of Procedure**

579 Bodies may establish additional Rules of Procedure that may apply to themselves, to their child Bodies,  
580 or to both. Rules of Procedure may include specific additional processes that must not be inconsistent  
581 with DMTF Bylaws, policies, or this document. Any Member may escalate a Rules of Procedure that they  
582 believe contradicts DMTF Bylaws, policies, or this document by means of the Escalation Procedure  
583 (clause 5.8.11). All effective Rules of Procedure for any Body must be accessible from the Body's public  
584 facing web page. Rules of Procedure are approved by the Board (clause 6).

**585 5.8.10.1 Financial rules**

586 Forums and Chapters may establish additional fees for the purpose of funding their activities.  
587 Participation in such Bodies may be subject to payment of the fees described in their Rules of Procedure.

588 Approval of contracts, budgets, statements of work and expenses for all DMTF Bodies are subject to  
589 DSP4010 - DMTF Financial Process and Procedures

**590 5.8.10.2 Other rules**

591 The following is a non-exclusive list of the types of items that might be contained in a Body's Rules of  
592 Procedure:

- 593 • Procedures for submitting items for consideration and the forms attendant thereto.
- 594 • Specification of tools to be used for test, document generation, or otherwise in the pursuit of the  
595 Body's Charter.
- 596 • Naming conventions, or other sorts of conventions necessary for the orderly pursuit of the  
597 Body's Charter.

**598 5.8.10.3 Prohibited rules**

599 No Rules of Procedure document may:

- 600 • Violate any provision of the DMTF Bylaws, policies, or this document.
- 601 • Diminish any Member's rights as defined in DMTF Bylaws, policies, or this document, including  
602 those rights that accrue based on their membership level.
- 603 • Include any provision disapproved by the Board through escalation or prior escalation.

**604 5.8.10.4 Rules of Procedure approval**

605 The proposing Body's Parent Committee approves Rules of Procedure.

606 Committee-approved Rules of Procedure go into effect 31 days past approval to permit potential  
607 escalations by objecting Members.

608 After a Member notifies the chair that an objection to a Rules of Procedure document not currently in  
609 effect is being escalated, the proposed Rules of Procedure shall be stayed until the escalation is  
610 complete.

**611 5.8.11 Escalations**

612 When an action taken or not taken by a Body or Member is alleged to be in violation of the policies,  
613 processes, and procedures set forth by the DMTF, Members should attempt to resolve the disagreement  
614 within the Body. If resolution is unsuccessful, the dispute must be documented in the Body's minutes. Any  
615 Member may appeal by means of an escalation. The creation of an escalation results in review of the  
616 situation and resolution by the Parent Body.

**617 5.8.11.1 Responsibilities**

618 When a Member raises an escalation, it is the responsibility of the chair of the Parent Body to place the  
619 issue on the agenda for discussion within the earlier of the next 3 regular meetings or 30 days.

- 620 • The Parent Body chair must inform the originating Body chair and the escalating Member of the  
621 escalation as to when it will be on an agenda for discussion. During that agenda slot, the  
622 originator and origin Body's chair are invited to attend regardless of normal participation rights.

**623 5.8.11.2 Escalation requirements**

624 The complaint should state the nature of the objection(s) in writing, including any direct and material  
625 adverse effects upon the appellants; the relevant clause(s) of the DMTF policies, procedures, or  
626 processes at issue; the actions or inactions at issue; and the specific remedial action(s) that would satisfy  
627 the appellants' concerns.

**628 5.8.11.3 Timeline**

629 An escalation must be raised within 30 days of the contested action.

**630 5.8.11.4 Further escalation**

631 If the Member escalating an issue is dissatisfied by the decision of the Parent Body, the escalation may  
632 be raised to the next level in the organization.

**633 5.8.11.5 Final decisions**

634 Escalations that reach and are decided by the Board of Directors are final.

**635 5.8.12 Voting**

636 The voting processes are designed to be adaptable to the size of the Body, the nature of the question,  
637 and efficiency of operation. In the case where there is a manageable number of voters and the chair is  
638 satisfied that the minimum number of voters necessary for the type of Body are present, a call for  
639 unanimous consent is in order and may be used as determined by the chair. If an objection exists, a vote  
640 is taken.

**641 5.8.13 Vote counting**

642 Vote counting may be by any means that the chair determines will yield an accurate count unless an  
643 incidental motion specifying a particular type of counting has been passed. In no case are abstentions  
644 counted or recorded.

645 Each voting Participation Member or Leadership Member may cast only one vote in any DMTF Ballot  
646 conducted by any means. If a Participation Member or Leadership Member casts more than one vote, the  
647 chair shall select the vote cast by the Primary Voter. If the Primary Voter has abstained and there exists  
648 conflict amongst the votes cast by Alternate Voters, the chair shall discard all votes by the Participation  
649 Member or Leadership Member.

**650 5.8.14 DMTF majority rules**

651 All motions in the DMTF, unless specified herein, require a 2/3 majority of votes cast to pass. In addition,  
652 there shall be a minimum of four votes cast by votes taken by a Committee unless specified by the Board;  
653 all other bodies shall have a minimum of three votes cast. A Body may decide to reduce this majority rule  
654 to those majorities stipulated in RONR by means of a motion to waive the 2/3 rule, which shall pass with a  
655 minimum of a 75% majority.

**656 5.8.15 Motions related to methods of voting**

657 Any member may make an incidental motion to specify a voting mechanism during debate on a question  
658 or at any time until but not after the question on another motion has been stated. This incidental motion  
659 shall require a simple majority to pass (RONR §30).

660 Typical incidental motions include:

- 661 • Motion for an Electronic Ballot q.v.
- 662 • Motion for a standing vote (or show of hands)
- 663 • Motion for a roll-call vote

**664 5.8.16 Requesting another Body to Ballot**

665 Should a vote be solicited of a Body other than the originating Body, such as a Ballot request to a Parent  
666 Body, an email containing all the particulars shall be sent to [Ballot-request@dmtof.org](mailto:Ballot-request@dmtof.org) requesting that a  
667 Ballot be opened to implement that request.

**668 5.8.17 Electronic Ballots**

669 Because RONR discusses but does not specify the procedures for Electronic Ballots, the rules governing  
670 Electronic Ballots are described herein.

**671 5.8.17.1 Validity**

672 Electronic Ballots have equal weight and validity to other voting mechanisms described in Robert's Rules  
673 of Order Newly Revised.

**674 5.8.17.2 Electronic Ballot lifecycle**

- 675 • A motion that will be decided by Electronic Ballot is made, discussed, and potentially amended.
- 676 • An Electronic Ballot is opened by the chair during, or subsequent to, the meeting.
- 677 • The Electronic Ballot remains open for the time agreed unless extended.
- 678 • Votes may be made or changed until the result is declared.

679 • In the meeting in which the Electronic Ballot is scheduled to close, or subsequent to the  
680 scheduled closure of an Electronic Ballot, but before it is declared, comments may be discussed  
681 and voters may change their votes.

682 • After all vote changes have been made, the chair declares the result.

### 683 **5.8.17.3 Amendments**

684 Motions that are to be decided by Electronic Ballot may only be amended until the question has been  
685 called. The question, as well as any associated references or documents, shall remain static for the  
686 duration of the Electronic Ballot and shall be documented therein.

### 687 **5.8.17.4 Comments**

688 Comments, when appropriate, may be considered at the discretion of the chair whether or not the vote  
689 associated with the comment was counted or if the comment is associated with an abstention. Those  
690 wishing to comment who are not Leadership or Participation Members may do so by means of an  
691 abstention with comment.

### 692 **5.8.17.5 Incorporation of comments**

693 Although comments are encouraged to receive the widest possible review, the question, including  
694 attachments and associated documents, shall not be altered during comment disposition. A new Ballot by  
695 any permitted means is required to approve a question or document with changes that are the result of  
696 comments received during the process of an Electronic Ballot.

### 697 **5.8.17.6 Duration**

698 Electronic Ballots shall be open for a period of no less than 152 hours (six days plus eight hours). An  
699 incidental motion made prior to declaration by any member and agreed to by simple majority may extend  
700 the duration. Implicitly, Electronic Ballots are open until the results are declared in the next meeting of the  
701 Body after the agreed closure time has expired or a meeting scheduled for an interval that includes the  
702 scheduled closure time occurs.

### 703 **5.8.17.7 Closure and declaration**

704 If an Electronic Ballot closes between meetings of the voting Body, the declaration of the Ballot must be  
705 part of the next meeting of that Body. It is recommended that chairs set up the Electronic Ballot to close  
706 during the meeting itself. The following procedures are for closing and declaring the results of the  
707 Electronic Ballot:

708 • The early part of the agenda for the voting Body must include an item for closing Electronic  
709 Ballots.

710 • The voting Body may discuss any comments made during the Balloting period.

711 • Members of the voting Body may either cast or change their existing vote. The responsibility for  
712 recording this change falls upon the chair. The votes shall be recorded in the Electronic Ballot.

713 • The chair of the voting Body closes the Electronic Ballot and declares the results.

### 714 **5.8.17.8 Recording of Electronic Ballots**

715 • Motions subject to Electronic Ballot are recorded in the minutes of each meeting in which an  
716 action is taken with respect to that Electronic Ballot.

717 • The question as well as the decision to perform an Electronic Ballot are recorded in the minutes  
718 of the meeting in which they are made.

- 719           • Incidental motions to extend the closure of an Electronic Ballot are recorded in the minutes of  
720           the meeting in which they are made.
- 721           • The results of an Electronic Ballot are recorded in the minutes of the meeting in which they are  
722           declared.

### 723 **5.8.17.9 Responsibility to manage**

724 Electronic Ballots shall be opened, managed, and closed by the chair or designee.

### 725 **5.8.17.10 Identification of Electronic Ballots**

726 Electronic Ballots shall be distinguished from other forms of information gathering, such as preference  
727 polls, requests for comments, or other informal polls, by starting the text of the question with “Motion to”;  
728 shall state the question upon which the Body is voting; and shall have voting options of yes, no, and  
729 abstain. Any other use of electronic voting facilities shall not be considered Electronic Ballots under this  
730 clause.

### 731 **5.8.18 DMTF recording policy**

732 DMTF meetings of any Body may not be audio or video recorded under any circumstances:

### 733 **5.8.19 Minimum requirements for meeting minutes**

734 All meetings of any DMTF body, when that Body has adequate participation to permit decisions, must  
735 result in minutes that record decisions made. The contents of such minutes follow rules established in  
736 RONR 11<sup>th</sup> ed.

#### 737 **5.8.19.1 Meeting minutes format**

738 The preamble to the minutes shall include:

- 739           • The kind of meeting – regular, special, adjourned regular or adjourned special; and
- 740           • The name of the Body; and
- 741           • The date and time (hour) of the meeting; and
- 742           • The location of the meeting in the case of a face-to-face meeting or simply the notation that it  
743           was a teleconference if there was no physical location; and
- 744           • The fact that the regular chair, vice-chair, or co-chair and secretary (minute-taker) were present  
745           or, if not, the name of the persons serving in these capacities; and
- 746           • Whether the minutes of the previous meeting(s), identified by date, were approved as posted or,  
747           if corrected, the notation that they were approved as corrected. Corrections are made in the  
748           minutes of the previous meeting and not detailed in the current minutes.

749 The body of the minutes shall include:

- 750           • A separate paragraph for each subject.
- 751           • The wording of each main motion as adopted or otherwise disposed of, as well as the name of  
752           the mover. The seconder (if any) is not recorded. Motions that are withdrawn are not recorded.  
753           The existence of motions to amend or of debate may be recorded but only parenthetically.
- 754           • If a main motion is disposed of temporarily, then any motions to amend and secondary motions  
755           that adhere to the main motion are recorded that are pending at the time of disposal.

756 The minutes shall end with the hour of adjournment.

757 Significantly more detail is provided in RONR (11<sup>th</sup> ed.) §48.

## 758 **6 DMTF release process, document information, and file formats**

759 Documents are sorted into classes and a procedure is defined in this clause for each class. The classes  
760 are:

761 a) Normative documents such as:

- 762 • DMTF Standards
- 763 • DMTF Informative Standards
- 764 • Schemata

765 b) Informative documents such as:

- 766 • Presentations
- 767 • White papers
- 768 • Posters
- 769 • Software (executable or source code)
- 770 • Use-cases or requirements
- 771 • Marketing material for distribution to the DMTF Membership

772 c) Policy documents such as:

- 773 • This document
- 774 • Other documents defining DMTF processes or procedures
- 775 • Corporate policies
- 776 • Charters
- 777 • Body Rules of Procedure
- 778 • Marketing material for public distribution
- 779 • Budgets
- 780 • Contracts and their addenda

### 781 **6.1 Overview**

782 The steps in the release process for a normative document are as follows:

- 783 • DSP identifier acquisition (clause 6.2)
- 784 • Development (clause 6.3)
- 785 • Work in Progress (recommended) (clause 6.4)
- 786 • Technical Committee approval (clause 6.6)
- 787 • IP solicitation (clause 6.7) and parallel Board approval (clause 6.8)
- 788 • Publication (clause 6.9)

789 The steps in the release process for an Informative document are as follows:

- 790 • DSP identifier acquisition (clause 6.2)
- 791 • Development (clause 6.3)
- 792 • Work in Progress (recommended) (clause 6.4)
- 793 • Parent Committee approval (clause 6.5)
- 794 • Publication (clause 6.9)

795 The steps in the release process for a Policy document are as follows:

- 796 • DSP identifier acquisition (clause 6.2)
- 797 • Development (clause 6.3)
- 798 • Work in Progress (potential) (clause 6.4)
- 799 • Parent Committee approval (clause 6.5)
- 800 • Board approval (clause 6.8)
- 801 • Publication (clause 6.9)

## 802 **6.2 DSP identifier, acquisition, transfer, disposal**

803 Applies to document classes:

- 804 • Policy documents
- 805 • Normative documents
- 806 • Informative documents

807 As exceptions, the following documents do not require DSP identifiers:

- 808 • Charters
- 809 • Rules of Procedure
- 810 • Press releases or other marketing collateral
- 811 • Newsletters or other Member communications
- 812 • Posters, brochures, or other graphics for promotional display or distribution
- 813 • Web pages
- 814 • Bylaws or any other corporate document or filing

815 DSP identifiers are used to identify all applicable DMTF documents. At most one editing body may have  
816 ownership of any DSP identifier at a time. A document request (DR 6.2.1) is used to acquire a new DSP  
817 identifier, dispose of one previously acquired but unused, obtain ownership for the document associated  
818 with a DSP identifier, obtain approval of a new schema name, obtain approval for publication of DMTF  
819 material to a non-DMTF location, or to change the document's name or disposition. The Editing Body's  
820 Parent Committee must approve DRs before any work begins in an Editing Body.

### 821 **6.2.1 Document Request (DR) content and format**

822 DRs must be created by using the [DR template](#). The content of this template includes:

- 823 • Chair(s) of the Body requesting the DSP identifier
- 824 • Document Class being requested (Normative, Informative, Policy)
- 825 • Name of the associated document
- 826 • DSP identifier if previously issued
- 827 • Name of the Editing Body
- 828 • Date the request began
- 829 • Action requested: Issue DSP identifier | Transfer Ownership | Return DSP identifier
- 830 • Background rationale for the accompanying document
- 831 • Intention to publish or submit to (see clause 6.13)

### 832 **6.2.2 DR preparation and submittal**

833 The Editing Body prepares the DR clearly indicating the action proposed. Once prepared, the DR should  
834 be added to the appropriate group's Document Request folder by the DR owner with a status of "Draft."  
835 Documents added to the Document Request folder are automatically named with the following format:  
836 wgabbrevDR\$docnum.\$revnum.\$extension.

837 DRs shall only be submitted by chairs.

838 DRs shall be shared with the Parent Committee prior to voting in the Parent Committee. It is best to set  
839 up the DR folder with automatic sharing with the Parent Committee.

### 840 **6.2.3 DR approval**

841 The Editing Body must vote to approve the DR. Once approved by the Editing Body, the DR document  
842 proceeds to the Parent Committee for approval. After the Parent Committee approves the DR, the  
843 Committee Secretary notifies the Editing Body that the DR is approved, the name of the document that  
844 was approved, and the action taken.

### 845 **6.2.4 DSP Number ranges**

846 DSP identifiers associated with DMTF documents fall into the following ranges:

- 847 • 0001-0999 – Technical Specifications
- 848 • 1000-1999 – Profiles
- 849 • 2000-2999 – White Papers, Technical Notes, and other informational documents
- 850 • 3000-3999 – Working Group Charters
- 851 • 4000-4999 – DMTF Process documents
- 852 • 5000-5999 – Conformance Specifications, test scenarios, and other test-related artifacts.
- 853 • 6000-6999 – Machine Readable Profiles
- 854 • 8000-8999 – Schema Representations
- 855 • IS-0000 - IS-9999 – Informational Specifications

856 DMTF documents that were approved before December 31, 2004, may have DSP identifiers that are  
857 outside of the preceding ranges. When these documents are revised, they must be changed to conform  
858 to these ranges. However, documents should not be revised only for the purpose of placing them in the  
859 appropriate number range.

### 860 **6.3 Development**

861 Applies to document classes:

- 862 • All document classes

863 Prerequisites:

- 864 • DSP Identifier has been issued if required (clause 6.2).

865 When an Editing Body is in the process of developing a document, the document shall have a document  
866 status of "Draft" and a confidentiality notation of "DMTF Confidential." A document remains in  
867 development until published.

### 868 **6.4 Work in Progress**

869 Applies to document classes:

- 870 • All document classes

871 Prerequisites:

- 872 • A document in Development (clause 6.3)
- 873 • A vote in the Editing Body to publish a Work in Progress release

874 Working Groups are encouraged to publish Work in Progress documents early and often. An interval  
875 between publications of Work in Progress documents of three months is considered usual. A Work in  
876 Progress release may contain any degree of change.

### 877 **6.5 Parent Committee approval**

878 Applies to document classes:

- 879 • Informative documents
- 880 • Work in Progress documents
- 881 • Process documents

882 Prerequisites:

- 883 • Work is complete for the candidate document.
- 884 • Substantially all non-deferred issues have been resolved.
- 885 • Editorial review in a manner acceptable to DMTF Admin has been completed.
- 886 • A vote in the Editing Body to release the document has passed.

887 Exceptions:

- 888 • Work in Progress documents may have any number of open issues.
- 889 • Work in Progress documents do not require editorial review.

890 The Parent Committee Ballots the document for publication to assure that it is within the Editing Body's  
891 scope as defined in the charter, and that process has been followed in its production. Documents with  
892 obvious quality problems may be rejected on that basis.

## 893 **6.6 Technical Committee approval**

894 Applies to document classes:

- 895 • Normative documents

896 Prerequisites:

- 897 • Work is complete for the candidate document.
- 898 • Substantially all non-deferred issues have been resolved.
- 899 • Editorial review in a manner acceptable to DMTF Admin has been completed.
- 900 • The Editing Body has voted to release the document.

901 The Technical Committee Ballots the document for publication to assure that it is within the Editing Body's  
902 scope as defined in the charter, and that process has been followed in its production. Documents with  
903 obvious quality problems may be rejected on that basis.

904 All normative document approval Ballots shall be electronic. Normal and usual voting methods for  
905 electronic Ballots are observed (clause 5.8.17).

906 Normative documents presented for Technical Committee review may be, subsequent to Technical  
907 Committee approval, published as a Work in Progress at the discretion of the Technical Committee.

908 When the Technical Committee has approved the normative document, it shall be forwarded directly to  
909 DMTF Admin for publication pending completion of IP Solicitation and Board approval, which should  
910 occur in parallel to the extent possible.

911 Upon request or recommendation of a child body, the Technical Committee may delay the publication  
912 date of a normative document if supporting artifacts or dependent documentation have not yet been  
913 brought to the Technical Committee for approval; the delay shall not exceed a period longer than 90 days.

## 914 **6.7 IP solicitation**

915 Applies to document classes:

- 916 • Normative documents

917 Prerequisites:

- 918 • Technical Committee has approved the document for publication.

919 The Technical Committee shall determine if an IP solicitation is needed on any draft normative document  
920 presented for approval. An IP solicitation is required for any new normative document and may be  
921 indicated if changes made by the Editing Body result in new feature or function. The Technical Committee  
922 may decide that no IP solicitation is required if the Editing Body makes such a recommendation and  
923 changes from a previously approved version contain no substantive modifications to function or feature.

924 The chair of the Technical Committee sends the candidate document and a notice asking for claims of  
925 essential patent rights to the DMTF Membership. The DMTF IP solicitation period closes 30 days after the  
926 notification is sent.

927 If no claims of essential patent rights are received by DMTF Admin upon the expiration of the IP  
928 solicitation period, the document shall then be published.

929 If claims of essential patent rights are received, then DMTF Admin shall halt publication and shall inform  
930 the Technical Committee which shall then follow the steps as defined in the DMTF Patent and  
931 Technology Policy (DMTF Patent and Technology Policy). No publication is permitted until those steps  
932 have been completed.

## 933 **6.8 Board approval**

934 Applies to document classes:

- 935 • Policy documents
- 936 • Normative documents

937 Prerequisites:

938 Parent Committee approval has been achieved.

939 Procedure:

940 The document is added to the agenda of the next board meeting. It is the responsibility of the approving  
941 committee chair to assure that the document is raised for a vote at the next board meeting. The document  
942 must be made available to the board in time for a reasonable review prior to the board meeting.

- 943 • If the board approves the document, it shall be forwarded to DMTF Admin for publication.
- 944 • If the board rejects the document, it shall be returned to the Editing Body with comments, if any.
- 945 • If the board fails to act on the document, it shall be added to the agenda for the next board  
946 meeting in the early part of the agenda.

## 947 **6.9 Publication**

948 Applies to document classes:

- 949 • Policy documents
- 950 • Informative documents
- 951 • Normative documents

952 The DMTF publication process proceeds after there are no more approvals.

953 The secretary or chair of the final approving body forwards the document to DMTF Admin who then  
954 produces and publishes the final version of the document.

955 The steps in publication include the following activities.

- 956 • Pre-publication cleanup  
957 Consists of assuring correct front-matter format and content, change of document status and  
958 publication date, removal of confidentiality notifications, and removal of the version identification  
959 except for Work In Progress releases.
- 960 • Archiving  
961 DMTF Admin will copy the document to a secure location for long-term storage.
- 962 • If a normative document, and an IP solicitation was required, hold publication until verification of  
963 successful completion of the IP solicitation.
- 964 • Movement to the published document location on the DMTF web site  
965 DMTF Admin will publish the document on the DMTF web site.

966 Specifications are published and a URI is generated for the document according to the document name  
967 (clause 6.11). The document is then published on the “published documents” page and added to the  
968 appropriate document directory.

## 969 **6.10 Front matter, numbering, and versioning for DMTF documents**

### 970 **6.10.1 DMTF document front matter, headers, footers**

971 Applies to document classes:

- 972 • Normative documents
- 973 • Informative documents
- 974 • Policy documents

975 Exceptions:

- 976 • Charters
- 977 • Rules of Procedure
- 978 • Press releases or other marketing collateral
- 979 • Newsletters or other Member communications
- 980 • Posters, brochures, or other graphics for promotional display or distribution
- 981 • Web pages
- 982 • Bylaws or any other corporate document or filing
- 983 • Marketing materials

984 DMTF documents must begin with a front page that shall contain the following information. These items  
985 are included in the document template.

- 986 • Title  
987 The title of the document as registered when the DSP identifier was obtained.
- 988 • DSP identifier  
989 This must be the DSP identifier obtained according to the policy described in clause 6.2.
- 990 • Version number  
991 This version number must comply with the guidelines in clause 6.11.
- 992 • Date  
993 This must be the effective date of the document.
- 994 • Logo  
995 A DMTF logo should be included on the title page.
- 996 • Document Class  
997 “Policy,” “Normative,” or “Informative.”
- 998 • Document Status  
999 “Draft,” “Work in Progress,” “Candidate Specification” or “Published.”
- 1000 • Document Disclaimer if any  
1001 In the case of DMTF Works in Progress it shall be:

1002 “IMPORTANT: This document is not final. It does not necessarily reflect the views of the DMTF or its  
1003 members. Because this document is a Work in Progress, this document may still change, perhaps

1004 profoundly and without notice. This document is available for public review and comment until  
1005 superseded.”

1006 • Documents Superseded, if any

1007 • Document Language

1008 • "DMTF Confidential" label for all DMTF documents prior to public release by DMTF

1009 Page 2 of the document shall contain the following information:

1010 • DMTF Copyright Notice

1011 • DMTF Patent Policy Notice (DMTF Patent and Technology Policy)

1012 • Notice that “The English version of this specification is the only normative version”

1013 • Notice that all feedback or comment is to be provided through the DMTF Feedback Portal  
1014 <http://www.dmtf.org/standards/feedback>

1015 Page headers shall contain:

1016 • DSP identifier

1017 • Document Title

1018 Page footers shall contain;

1019 • Page number

1020 • Confidentiality notation  
1021 “DMTF Confidential” unless published as final or as a Work in Progress

1022 • Status  
1023 “Draft,” “Work in Progress,” or “Published”

1024 • Version number

## 1025 **6.10.2 Exception for non-display formats**

1026 Non-display formats such as XML files, source codes, and other machine-readable formats shall contain  
1027 a comment or a file within its collection that contains the same information as in 6.10.1 above; however,  
1028 the DMTF Logo is optional.

## 1029 **6.11 Document numbering and versioning, and filenames**

### 1030 **6.11.1 Versioning**

1031 Versioning of DMTF documents takes the form m.n.u[d[d]], where:

1032 ***m*** represents the major version identifier in numeric form. This number starts at 1 for new  
1033 documents. A change in this number representing an update to the document indicates that the  
1034 document contains changes that are not compatible with prior versions.

1035 ***n*** represents the minor version identifier in numeric form. This number starts at 0 for new  
1036 documents. A change in this number representing an update to the document indicates that the  
1037 document contains changes that are compatible with prior versions.

1038 ***u*** represents the update (errata or coordination changes) in numeric form. This number starts at 0  
1039 for new documents. A change in this number representing an update to the document indicates  
1040 that the document contains changes that are corrections to errors in prior versions or changes

1041 in coordination with other documents. This digit may not be changed for Work in Progress  
1042 documents.

1043 **dd** represents the draft level in alphabetic form. This indicator is required for DMTF draft  
1044 documents and Work in Progress releases.

1045 Updated versions of documents must have one of these digits or letters changed from prior versions in  
1046 increasing order; gaps in the order are permitted.

1047 Published documents are represented using only numeric entries (for example, 2.1.0 or 2.2.1).

1048 All DMTF document in draft status must have the draft level identified. Any references to the specification  
1049 version must include the alpha identifier (*dd*) appended to the identifying version number. Drafts are  
1050 denoted starting with a single alpha character and, if necessary, progressing to two-letter notation: a, b, c  
1051 ... x, y, z, aa, ab...zz.

1052 **6.11.2 File names**

1053 The filename for published DMTF documents should use this format:

1054 "DSP"<4 digit document number>"\_ "<*m*>". "<*n*>". "<*u*>" "<*t*>". "<file extension>" where:

1055 *t* is the two letter ISO language identifier as specified in ISO 639-1:2002.

1056 The language identifier, *t*, and the preceding “-“ may be omitted in English-language normative  
1057 documents but are required for all translations..

1058 Additionally, this information must be embedded inside the specification itself. When specifying the  
1059 document number for DMTF specifications numbered below 1000, the leading zero must be specified.  
1060 For example, "DSP0825\_1.0.0.pdf" is correct, while "DSP825\_1.0.0.pdf" is not.

1061 **6.12 Accepted file formats**

1062 DMTF sources should be in one of the formats indicated in Table 2.

1063 **Table 2 – Accepted source formats**

Source Type	Approved Formats
MOF	UTF-8 text format
UML	XMI
Diagrams	Visio or ODF
Presentations	PowerPoint, Visio, or ODF
Specifications	Word (.doc, .docx), ODF, HTML, UTF-8 or UTF-16 text format, or Visio
Source Code	UTF-8 text format

1064 Note that source for graphical representations of UML or for class or instance diagrams can be either XMI  
1065 or Visio.

1066 The Editing Body must submit DMTF documents for approval in a format indicated in Table 3. The Editing  
1067 Body must also provide access to the document source.

1068

**Table 3 – Permitted published formats**

Artifact Type	Approved Formats
Source Code and other machine readable artifacts	UTF-8 text, or as required
UML	PDF
Specifications, DMTF Standards, White Papers, Technical Notes	PDF and HTML

1069 Supplemental information may be provided in HTML (for example, hyperlinked MOF documentation),  
 1070 UTF-8 text format (for example, XML MOF rendering), PDF, Visio, or as appropriate for the intended use.

1071 Published artifacts or collections of artifacts, may be provided in compressed (.zip) format for download  
 1072 convenience.

### 1073 **6.13 Document disposition**

1074 DMTF documents, after reaching their final approval at either the Board or the Committee levels, are  
 1075 usually published through the DMTF web site. Some circumstances require that DMTF documents be  
 1076 released in an alternate manner instead of, or in addition to, publication on the DMTF web site, for  
 1077 example, when a document is released to another entity. This clause describes the requirements and  
 1078 methods for the dispensation of documents.

#### 1079 **6.13.1.1 Submission and transfer**

1080 When the document is intended to be either transferred or submitted to another organization, the  
 1081 document needs to have a statement regarding the nature of the submission or transfer and a statement  
 1082 about copyright grant. This statement can be either a part of the document or a separate document, such  
 1083 as a cover letter. An IP disclaimer should be included if the document is a specification. When the  
 1084 document is source code, an open source license conformant with DMTF policy should be included in the  
 1085 source. If included, the document is subject to approval by DMTF legal counsel before release.

1086 Documents intended to be published by, submitted or transferred to another organization are subject to  
 1087 DMTF Board approval regardless of Document Type and Final Document Status, with the exception of  
 1088 informational presentations to be presented at public forums such as conferences and symposiums. A  
 1089 DR should be prepared that contains the appropriate information about the request and then taken  
 1090 through the process as defined in clause 6.2 prior to DMTF Board approval.

#### 1091 **6.13.2 Availability of document versions and obsolescence**

1092 The release of a new version of a specification, white paper, or document does not make previous  
 1093 versions obsolete. Versions become obsolete when the market no longer requires them. The underlying  
 1094 goal is upward compatibility between versions. This goal should be approached with caution because  
 1095 maintaining upward compatibility between versions may not always be possible.

1096 Updates to a specification, white paper, or document are submitted to the Editing Body. Each  
 1097 specification must contain a change history. (For graphical documents, such as UML diagrams, that are  
 1098 not conducive to including a change history, this history is included in the MOF file.) The status of these  
 1099 documents must be indicated as “Work in Progress,” “Informational,” “DMTF Draft Standard,” or “DMTF  
 1100 Standard.” A change log and completed Change Request forms must be maintained for all specifications,  
 1101 white papers, and documents.

1102 Specifications and other documents that have reached a level of maturity where they are no longer  
 1103 actively being updated should be posted to a clause of the DMTF web site dedicated to “historical”  
 1104 documents. The web site must contain information indicating that this specification is still relevant to the  
 1105 industry but new versions should not be expected. Specifications that are greater than five years old and  
 1106 are DMTF Standard should be reviewed by the owning Parent Committee annually to see if they should

1107 be moved to this portion of the web site, but the URL to the document should not change. Previous  
1108 versions of MOF Schema that are greater than two years old may fall into the “historical” category and  
1109 should be treated appropriately. Note that the URI of the document should remain persistent (remain the  
1110 same over time) to allow other specifications to reference DMTF Standards.

## 1111 **7 Issue resolution**

### 1112 **7.1 Issue resolution process**

1113 During the normal course of document development or approval, issues may be raised against  
1114 documents. It is expected that all issues shall be resolved or addressed before the issue is closed. Issues  
1115 may be raised by members of the Editing Body in committee or during Ballot, by Parent Bodies during  
1116 review or approval, during the IP solicitation phase of document approval, or by external entities for  
1117 Works in Progress.

#### 1118 **7.1.1 Issue tracking and recordkeeping**

1119 All issues reported shall be recorded and the record kept as part of the Editing Body’s permanent records.  
1120 The record shall contain the following minimum information:

- 1121 • Date issue was reported
- 1122 • Issue reporter
- 1123 • Issue description
- 1124 • Date issue was resolved
- 1125 • Resolution description
- 1126 • Document revision containing resolution
- 1127 • Evidence that the issue reporter has accepted the resolution in the case of an external reporter

##### 1128 **7.1.1.1 Recordkeeping mechanism**

1129 Any method may be used to track issues. The DMTF provides a number of tools that may be used;  
1130 however, any method that is persistent and that may be archived can be utilized.

#### 1131 **7.1.2 Editing Body final decisions**

1132 Issues are decided according to voting rules defined herein (clause 5.8.14). In the case that a reporter  
1133 does not agree with the issue resolution as proposed by the editing Body and provides a rationale that  
1134 may be considered new information, a simple majority vote in the Editing body may be performed to re-  
1135 open the issue. Should that simple majority vote fail, the resolution of record may be considered final.

## 1136 **8 DMTF Management Initiatives**

1137 "Management Initiative" is a term used to describe a set of activities, specifications, or documents that  
1138 address a domain of DMTF organizational emphasis. Management Initiatives may be proposed by any  
1139 Member, but are reviewed and approved by the Board of Directors due to the anticipated strategic  
1140 importance and commitment of resources of such initiatives.

- 1141 • Management Initiatives must have technical components involving one or more Bodies.
- 1142 • Management Initiatives must have requirements for messaging or technical evangelism to  
1143 promote the Management Initiative for the mutual benefit of the DMTF membership.
- 1144 • Proposals for new Management Initiatives are presented to the Board and are enacted when  
1145 approved. Proposals should include the reason why it is a particularly good opportunity for the  
1146 DMTF, the activities expected, a schedule, and any anticipated budget impact.

### 1147 **8.1 Management Initiative coordination**

1148 The Board may appoint a lead for the purpose of coordinating each Management Initiative. If no lead is  
1149 appointed, the Marketing Taskforce shall coordinate all messaging components with the chairs of the  
1150 participating Bodies.

## 1151 **9 Information access**

1152 A policy of the DMTF is to have stable information available to its members. Body members are entitled to  
1153 have access to any pertinent data related to the decisions and operations of the team.

### 1154 **9.1 Web posting**

1155 It is the responsibility of the chairs to ensure that all of the data required for the work of the team is made  
1156 available to all participants. Chairs accomplish this by posting to the Body's web page in the "Members  
1157 Only" clause of the DMTF web site.

### 1158 **9.2 Email lists**

1159 The DMTF maintains email lists for each Body for distributing information to its members. The email lists  
1160 are for the internal use of the Body's members in support of their development or marketing activities.  
1161 These lists are not for general dissemination of information.

### 1162 **9.3 Information restriction**

1163 The restriction of unpublished information to a Body and those that are necessary to approve publication  
1164 is to protect the DMTF and all its members from partial ideas or incomplete or inaccurate information  
1165 taken out of context. Participants understand the history and context of this internal information.

### 1166 **9.4 Information dissemination**

1167 Members are permitted to disseminate unreleased DMTF information within their organization as long as  
1168 the information is marked as "DMTF Confidential." Confidential information should not be redistributed to  
1169 any non-member without the permission of the DMTF Board of Directors.

**1170 9.5 Document information**

1171 Document information is generally disseminated through the DMTF web site, and the members are  
1172 informed of document updates through the DMTF newsletter or other means. Access to the published  
1173 document web pages is open to anyone.

ANNEX A  
(informative)

**Change log**
